COMPETITIVE TEST TRACK

The competitive test track is a new event for all non-qualifying competitions that limits the difficulty of skating elements performed in each level. The test track will line up the test structure requirements with the competition levels, giving skaters a fair playing field to continue competing and testing according to their abilities. Skaters may enter EITHER the new test track free skate program (Freestyle and Short Program) or the well-balanced track free skate program but NOT both during the same non-qualifying competition. Competitors will skate to music of their choice. Deductions WILL be made for skaters including technical elements not permitted in the event description.
